

**LYONS LP GAS CO.  
2011-2012 PRICE PROGRAM**

Attention Customers: Market volatility has forced us to change this years program. The program remains the same with the exception of two sign up periods with different prices. Sign up early. Receipt after August 31<sup>st</sup> will be at the higher price.

**Option One - Prepaid Cap August 1-31<sup>st</sup> \$1.99/gallon September 1-30<sup>th</sup> \$2.04/gallon**

The price of gas is capped at \$1.99/\$2.04 per gallon. The price may be less, but will not exceed the cap price. By August 31 (\$1.99), or by September 30 (\$2.04), plus tax must be prepaid. To qualify requires a minimum usage of 500 gallons annually. Gallons purchased should equal previous years usage. Upon using all prepaid gallons or reaching termination date of June 30, 2012, the price will return to the daily posted price. Payment must accompany this form. No discount or refunds. Unused cash credit will be applied to future deliveries or programs.

**Option Two - Capped Price with Fee August 1-31<sup>st</sup> \$2.09/gal. September 1-30<sup>th</sup> \$2.14/gal.**

You will pay the posted price of propane on the date of delivery but it will not exceed \$2.09/\$2.14 per gallon. The three cents per gallon discount (if paid in 10 days) applies to this option. There is an annual fee of \$45.00 to participate in this program. Minimum annual usage of 300 gallons. Secondary accounts over 300 gallons annual usage subject to \$45.00 fee. The fee is payable upon return of this form. No invoice will be sent. This fee is non-refundable. Termination date of June 30, 2012.

**Terms for Price Program eligibility:**

Your account must have a zero balance to qualify for any program. Minimum delivery will be 50% of tanks capacity. Delivery requests for less than minimum (50%) will incur a delivery surcharge. Accounts with balances over 30 days old will be removed from the program. Removal from program will return your price to our daily posted price. Termination date of June 30, 2012 on all price programs. Additional terms on reverse side.
